ELUCIDATION
OF
REGIONAL REGULATION OF PROBOLINGGO CITY
NUMBER 6 OF 2025
ON
REGIONAL LIMITED LIABILITY COMPANY BAHARI TANJUNG TEMBAGA

I. GENERAL

The Regionally-Owned Enterprise (BUMD) of Regional Limited Liability Company aims to serve the port's transportation needs because it is one of the potentials that can be utilized and used as a source of Regional Revenue (PAD) due to the high economic potential of logistics distribution at the Probolinggo port. Local transportation services that are in demand by companies are those managed by the Regional Government due to the expectations and values that the BUMD is considered capable of fulfilling, including full support from the Probolinggo City Government, competitive prices, quality service and qualified resources due to multi-party supervision, speed of delivery due to its strategic location and guaranteed security so as to be able to produce excellent and maximum service. Therefore, the Probolinggo City Government, in its effort to establish a Regional Limited Liability Company (Perseroda), needs to have integrity and meet the requirements stipulated in the Regional Regulation, thus confirming the need to establish a BUMD supporting the port as one of the potential and solutions to the problem to increase Regional Revenue (PAD) to realize fiscal independence and the government's function as a public service.

In accordance with Article 11 section (2) of Government Regulation Number 54 of 2017 on Regionally-Owned Enterprises, the scope of establishment of a regional limited liability company includes the name and domicile, purpose and objectives, business activities, period of existence, and the amount of authorized capital.

Based on these considerations, it is necessary to establish a Regional Regulation of Probolinggo City on the Regional Limited Liability Company Bahari Tanjung Tembaga.
